**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition, and I would like to say NO to price hikes that will increase the cost of internet and telephone services. (I did have previous internet connection with competitive DSL/cable for many years; and I had low internet speed/unstable/price problems. I have fiber now, and I have been satisfied with this fiber internet service for more than two years.)

Thanks,

Jeff Pan
